For the light breeze, alighting brief, Turus with its sudden wings the leaf, And, tike a passing sunshine, they Seem so to shout and fly away t

THE CONVICT. BY WALTER BESANT AND JAMES BICE

THE BRECKENRIDGE NEWS.

A Free Press, a Free Ballot, and Free Speech, are the Birthright of Freemen.

VOL. VII. CLOVERPORT, KENTUCKY, WEDNESDAY, SEPTEMBER 6, 1882.

month.
"Nat yet," repeated John.
"What—what am I to do? Why do you stop me? What latshess is it of yours?" orked Pringle, hardly knowing what he

said.
"Surely you know what you have to do?"
said Helen, In her low, steady voice.
Pringle shook his head.
"Here is a paper." John opened a deak
said took out some sheets. "Here is ink.
Here is a pen. Will you write a full account of it now, or shall I send for a policeone. ?"

count of It now, or shall facult for a police-men 7"
"Spare men!" cried the adject criminal.
"Mr. Wykrow, what have no men is it of yoar? Young lady, what have you got to do with an old story, eith years old! It do with an old story, eith years old! It more than a koy. I have never been lappy siece, not one single day. I not un ymis-ery enough punishment? Other clerks can go host and be cheeful, and edgy their viernals. But that thing never lets mu-dalone, not one, on two single day. Why should I suffer more?" I have been a sufficient of the con-tingent of the control of the con-tact of the control of the con-tact of the con-tact of the control of the con-tact of the co

In orthood provention.

"Jung gift heat the world," exclaims
"linelyes, Boy" in the New York Sun,
"linelyes, Boy" in the New York Sun,
Yes, and other marriage they frequently,
but their hubunds; and we have beard
of several of even who, in their engerness to
oley the arriptaral injunction to "increase,
multiply, and replenish the earth," even
bent the banns of matrimony.

The Louisville Commercial, in one and the same breath, denomeres John D. White as "sugrateful, treacherous and untrust-worthy," and declares that it would like to territy, and needed to congress because "lib one will be needed in organizing the next couse." It would be hard to find party davery of a quality more object and de-pused than this.

based than this.

Just B 1222, mm, of the Mountain Scor-cher, electrified the Basel Useen conven-tion, the critical with the declaration that "The principles of democracy were bear with the superior field first shoated for jay," Be was no modest by linft. He should have claimed that they were the original, exceedited muster from which the marri-ing stars and angels were fabricated.

For seven years the democrats controlled the house and no bill was passed to revise the turiff—[Lonisville Commercial. This is supposed by the Commercial to be argu-ment. With a regulation senate to reject such a hill from the democratic house; with ment. With a regulation senate to reject ascala hill from the domeratic bases; with a regulationa president waiting ready to voto used measure in case of the concer-rence of the somate, and the democrate not having the strength to past I over the veto; it would have been some than folly, it would have been criminal, in them to wate their time and the people's money in futile leg-idation.

Ir seems that the young man who cooks the salacious mursels for the readers of the Landeville Dommercial, has not heard of Dick Wart's rail on tiblers & Mallory's printing offers in surfaced, his not heard with the control of Landeville III in whiteres is a woman named Curroll, the wither of Johnson of Currol, the pugilier. But the Commercial's alleane over his escapade can probably be traced to the fact that Wastis is also the leader of the republican porty in Louisville.

THE SOUTH AND POLITICS.

The New York Herald advises the per The New York Herald advises the people of the south to cout bose from the democracy and attach liself to the republican party, and the proceeds to argue, very unsels like the "machine" organs of its party, that the "machine" organs of its party, that the liself to the proceeds to the process of the process at tempts at tempt of the "process" and "liberality" of its rival organization, and recites the appropriations of the Infamous river and harber bill, and cites the millions donated by that set als continent areally and in the process of t

most lngely circulated republican paper of the north.

First—The donation of several millions for the assessible disprovement of southern sivers and streams and the erection of certain public buildings in designated clicie and towns of the south, was not diested by the necessity for additional highways for southern consincrete to travel to remunerative markets, or the needs of the government service for public buildings, but as a bid to the south to forsake its life-long political principles and othere to those of the party that tenders a brile therefor in the shape of enormous appropriations.

Second—The promise of a fair "divide" of all future thefts with the ally thus parchased.
